What is this type of insurance?

We offer you optional supplementary cover of Damages Caused by Vehicle Operating as a Tool, that can be added on your Civil Liability Insurance policy.

What is insured?

- ✓ Third parties civil liability for damages caused to them by the operation of machinery that is part of the insured vehicle or is adjusted on it as a tool.
- ✓ The cover for Tool of trade applies only when the tool is empowered by the engine of the main vehicle, and not if the 'tool' has its own independent power supply.
- ✓ The insurer shall be liable up to the amount specified in your insurance policy per year. This amount applies per accident regardless of whether more than one third parties have suffered damages at the same accident.
- ✓ The actual current value of the vehicle or its insured parts, as damaged on the day of the occurring insured event.

What is not insured?

- ✗ The policy does not cover wear and tear, efficiency and market value reduction of the insured vehicle neither loss of profit caused by the vehicle's deprivation of use.
- ✗ Damages in goods transported by the same vehicle.
- ✗ Damages in case the insured vehicle was exposed to specific risks, especially when it participated in formal or informal contests of peril, such as car racing events and competitions of accuracy or virtuosity, rallying, speed tests, on any racetrack, circuit or any other prepared course or derestricted toll road, without having previously obtained the insurance certificate requested by law.
- ✗ Damages intentionally caused by the insured, the receiver/holder of the cover and the driver of the vehicle, or by the persons appointed by them to drive the vehicle.
- ✗ Damages caused by terrorist acts, invasions, hostilities and war operations, civil war, riots, demonstrations, strikes, coups or revolution and any form of requisition.

Are there any restrictions on cover?
